## NHS Test and Trace Service

- NHS Test and Trace service to form a central part of the government Corona virus strategy.
- Anyone with symptoms will be tested and their close contacts will be traced.
- New guidance means those who have been in close contacts with someone who tests positive must isolate for 14-days, even if they have no symptoms, to avoid unknowingly spreading the virus.
- The service will help identify; contain and control Corona virus, reduce the spread of the virus and save lives.

Please look to make sure your playing counterparts are carrying out their own register.
